

COALITION TO IMPROVE NEWARK RECREATION

January 1, 1985

Mayor Kenneth Gibson
Newark City Hall
920 Broad Street
Newark, NJ 07102

Dear Mayor Gibson:

As a result of our last meeting with you, the Coalition has developed a "PARTNERSHIP PLAN FOR RECREATIONAL SERVICES" which is being submitted to you at this time. The Plan calls for a much needed cooperative relationship between the City of Newark and the various citizen groups which make up the Coalition To Improve Newark Recreation.

Because this issue is of great importance to our citizens, we would like to meet with you again within the next two (2) weeks to discuss the implementation of this plan. Dr. Jessie Turk of the Coalition will be calling your office to arrange for a convenient evening time for such meeting.

Thank you for your anticipated cooperation.

Sincerely,

Coalition To Improve Newark Recreation
